Who should I contact if I have any questions about camp?

We strongly believe that parent involvement is a key ingredient in a quality camp program. We have an open-door policy, and you are welcomed and encouraged to visit the program at any time your child is enrolled. Parents and visitors are required to sign-in at the front desk prior to visiting their child. In order to understand each child better, the staff welcomes any opportunity to talk with parents about their children. It is critical that the lines of communication stay open. If communication is frequent, together we can provide security and continuity for your children. Any time during a child's participation in the program a parent may request a meeting with the staff to discuss the child's needs. The meeting will be set at a time that is convenient for both the parent and staff. Others can be invited to attend the meeting at the request of the parent or staff.

- Registration/enrollment, Care 4 Kids and financial aid, and day to day questions, can be emailed to Jadette Rivera at jrivera@cccymca.org.
