For more than 160 years, the YMCA has nurtured potential and united communities across America to create lasting, meaningful change. Everything the Y does is in service of building a better “us”. One of the most effective ways to accomplish this is to teach youth, teens, and adults to swim, so they can stay safe around water and learn the skills they need to make swimming a lifelong pursuit for staying healthy. Our Y swim instructors are nationally certified. Their training includes CPR, AED, First Aid and Oxygen Administration.

Swim lessons provide important life skills that could save a life and will benefit students for a lifetime. All ages - from infants to seniors - can learn to swim at the Y. Check out our class offerings to find one that fits your family’s busy schedule. In the interest of keeping everyone safe, no one but the lesson participant is allowed to stay on the pool deck during swim lessons.

At YMCA camp, kids will make new friends and have tons of fun as they explore new adventures each day!

The Fairfield Y provides exciting and educational camp programming for children and teens, and their parents, at our Traditional Day Camp. At YMCA Day Camp, kids are in a welcoming environment where they can belong, build relationships and lasting friendships, develop character and discover their potential.

To ensure that every child and teen has the chance to go camping, the Fairfield Y offers financial assistance to those in need. We believe that no one should be turned away because of their inability to pay. Come, let us help.

2024 DAY CAMP REGISTRATION

YMCA Summer Day Camp is an experience like none other. Kids come away with new skills, confidence and friendships that broaden their perspectives and strengthen their character.

DAY CAMP REGISTRATION IS OPEN for all CCCY Members and Program Participants and Members of other Ys. So that we can maintain camper to staff ratios, we may have session waiting lists. The Day Camp Registration Fee is $25.

It’s Founders’ Day! On this date in 1844, George Williams and 11 other young men held a meeting in London that would lead to the founding of the YMCA. For 180 years, the Y has worked to strengthen communities – creating the first group swim classes, spearheading the first English as a Second Language (ESL) class and addressing chronic disease through programs like the Y’s Diabetes Prevention Program.

Did you know that celebrations such as Father’s Day, and organizations like the Peace Corps, all have their roots at the YMCA. And that the oldest known summer camp, Camp Dudley, first opened in 1885 and countless numbers of youth have since learned the skills and wonders of camping through the Y, developing critical skills and making memories along the way.

The Y has a rich tradition in activities that are played by millions of people around the globe. From James Naismith’s invention of basketball to instructors creating racquetball and what would eventually become volleyball, even one Y staffer, Robert J. Roberts, is credited with inventing the term “body building.”

YMCA leader John R. Mott was awarded the Nobel Peace Prize in 1946 for the Y’s groundbreaking role in raising global awareness and support and for the organization’s humanitarian efforts.

The Y is credited with spearheading the first public libraries, night school for adult education and English as a Second Language (ESL) courses.

A lot has changed since George Williams and 11 other young men gathered in London in 1844, but the heart of the Y’s work remains the same. We are one of the oldest nonprofits in the United States and rely on members and donors to continue our work. Thank you for your continued support!
