BEFORE & AFTER SCHOOL CHILD CARE

We strive to meet the needs of our families while providing quality experiences for the children in our programs. Where and how children spend their time is vital to their growth and success in life. At the Y's afterschool program kids can get homework help and unwind with games and physical activity to end the day on a high note.

FOR YOUTH DEVELOPMENT

We help kids reach their potential and thrive in a safe, trustworthy setting. We support your family needs before and after school. Kids have a safe place to explore their interests and discover their passions. The Y offers a curriculum that aligns with the school day and supports growth in literacy, arts science, math, science, engineering and technology (STEAM) while infusing the arts, physical activity and fun. We teach kids confidence, encourage self-expression and enrich social development. Providing our youth with the support, encouragement and positive role models that they need, will not only increase their ability to succeed in school but in life. For families, we offer a peace of mind knowing that your child is in a safe and educational program building new relationships and achieving more.

Our core values are woven throughout our childcare program to create a warm, nurturing, home away from home. Your child's growth, development and education are important to us, as we do our best to ensure their future is bright.

FOR SOCIAL RESPONSIBILITY

Everyone belongs at the Y. To ensure that all youth have the chance to participate, the Y offers financial assistance to those in need. Please talk with us to learn more.
