Every day, the Y strengthens our community for kids, adults, seniors and families with programs that protect, teach, connect, heal, nourish and encourage. It's how we help communities and the 'us' who live in them achieve our individual and collective promise.

All kids deserve the opportunity to be empowered to reach their full potential. We see every interaction with young people as an opportunity for learning and development - all grounded in the Y's core values of caring, honesty, respect and responsibility.

When you donate to the Ralphola Taylor Community Center YMCA Annual Campaign, you help us provide kids and families in our community with the programs and services they need to thrive.
