CENTRAL CONNECTICUT COAST YMCA Infant, Toddler, Preschool Behavior Management Plan

From time to time it may be necessary to discipline a child who continually exhibits a lack of respect or concern for the safety and well-being of their peers and/or staff.

Behavior management is used in the form of RE-DIRECTION or POSITIVE GUIDANCE and is done while the child is still in the program, not sent home with them, unless it is a serious matter. Behaviors considered inappropriate are, but not limited to:

- Fighting, Throwing things, Inappropriate language, Disrespect for others
- Refusing to listen to the teacher, Hitting, Biting or Kicking, children or teachers

A staff member will give positive guidance, redirection, setting clear limits to the child while maintaining good supervision of all areas. This allows the children to get control of their behavior and be able to continue to participate in classroom activities.

We do not use abusive, neglectful, physical restraint, unless such restraint is necessary to protect the health and safety of the child or others.

In the even that re-direction or positive guidance is not effective and /or the child has severely injured another child or teacher, a parent/guardian will be called in to discuss the situation and to develop a plan of action and /or 211 Info line may be called in for professional assistance depending on the severity of the behavior being exhibited.

I have read and understand the policy. The Behavior Management Plan has been discussed with me.
