SUMMER IS A TIME FOR KIDS TO BE KIDS.
Y Day Camp is the place to make every precious summer day a great one!

The CENTRAL CONNECTICUT COAST YMCA believes all kids have great potential and deserve the opportunity to discover who they are and what they can achieve.

The BRIDGEPORT YMCA day camp provides kids with a safe, healthy, familiar, and fun-filled environment for them to explore, build confidence, develop skills, make lasting friendships and memories so they can grow as individuals and leaders. For families, day camp offers a peace of mind knowing that your child is in a safe and enriching place.

Y camps have always strived to provide a physically safe environment for all Y campers, our team and our volunteers. Our camp will maintain the highest standards, safety protocols and sanitization procedures.

Campers will be in small groups, surrounded by positive role models and peers that are crucial to their social–emotional growth and a healthy youth development journey.

As a leading nonprofit committed to nurturing the potential of youth, the Y has been a leader in providing summer camp for over 130 years. The Central Connecticut Coast YMCA continues to give youth an enriching and safe experience. Our experienced and caring staff and volunteers model the positive core Y values of caring, honesty, respect and responsibility that help build character.

Everyone belongs at the Y. To ensure that all youth have the chance to experience summer camp, the Y offers financial assistance to those in need. Please talk with us to learn more. If you’d like to help send a child to camp, you can donate easily on our website or at our Y.

OUR MISSION: To put Judeo–Christian principles into practice through programs that build healthy spirit, mind and body for all.

BRIDGEPORT Y SUMMER CAMP

Our program provides all kinds of FUN activities each day and during the week. Upon arrival the children will have a morning snack and then get ready to choose from many different activities such as: arts and crafts, sports and games, physical activities, social interactions, swimming, STEM projects, educational experiences, special events as well as having specialists come in weekly to engage everyone in fun filled activities that help with social interactions, provide personal growth opportunities and to be creative.

Join us for a week or for the entire summer of FUN! Groups are formed by grade levels and with activities appropriate to the interests and needs of each group.

At the Y, we make kids feel welcome and supported. Our counselors are specially chosen using in-person interviews, reference checks and training. They are educators, recreation specialists, future teachers and local students with a genuine interest in working with children. Your children may already know them from other Y programs and after school care. At least eighty percent, are 18 years old and older. After receiving an average of 40 hours of training in safety, positive behavior management and activity planning, they are ready to help campers make new friends and do everything possible to ensure a fun summer.

Camp is available to all children. The Y will work with children of all abilities. If your child requires special accommodations (social, behavioral, medical) please contact the Camp Director. The Y strives to provide each camper with an optimal summer experience but can not guarantee a specific counselor or camp group.

The Y has child care programs available from the day school ends until it begins again! Ask about Y Vacation Club, Y Fun Club, Before and After school programs and Preschool (for the little ones.)

YMCA CAMP HI-ROCK

We also offer an overnight camp experience, a ‘home-away-from-home’ where campers will grow as individuals. Campers can learn to sail and water ski on a beautiful private lake in the Berkshires. Attend an info session at the Y or visit camphirock.org for more information.
