### Notice to All Applicants: The YMCA enforces its policies and practices to prevent child abuse.

Allegations or suspicions of child abuse are taken very seriously at the YMCA and will be reported to the proper authorities for investigation. We have abuse reporting procedures, there are unscheduled visits from supervisors, we have an open door for parents, and we have a code of conduct for staff. We minimize opportunities for abuse to occur and we talk with children about personal safety and touching limits. We also screen carefully to prevent abusers from being hired and we provide child abuse prevention training to staff.

**The CCCY has a zero tolerance policy regarding child abuse.** One of the goals of the CCCY is to provide a safe environment for all members and participants. In accordance with the CCCY Child Abuse Prevention Policy, I understand that the Y will run a criminal history and sex offender registry check on myself upon hire, and understand that the results of this check may result in my inability to become a CCCY employee.
