IGNITE YOUR CHILD’S POTENTIAL AFTER SCHOOL

We strive to meet the needs of our families while providing quality experiences for the children in our programs. Where and how children spend their time is vital to their growth and success in life.

FOR YOUTH DEVELOPMENT
We help kids reach their potential and thrive in a safe, trustworthy setting. We offer a curriculum that aligns with the school day and supports growth in literacy, science, math, science, engineering and technology (STEM) while infusing the arts, physical activity and fun. We teach kids confidence, encourage self-expression and enrich social development. Providing our youth with the support, encouragement and positive role models that they need, will not only increase their ability to succeed in school but in life. For families, we offer a peace of mind knowing that your child is in a safe and educational program building new relationships and achieving more.

Our core values are woven throughout our child care program to create a warm, nurturing, home away from home. Your child’s growth, development and education are important to us, as we do our best to ensure their future is bright.
