For more than 160 years, the YMCA has nurtured potential and united communities across America to create lasting, meaningful change. Everything the Y does is in service of building a better “us”. One of the most effective ways to accomplish this is to teach youth, teens, and adults to swim, so they can stay safe around water and learn the skills they need to make swimming a lifelong pursuit for staying healthy. Our Y swim instructors are nationally certified. Their training includes CPR, AED, First Aid and Oxygen Administration.

Swim lessons provide important life skills that could save a life and will benefit students for a lifetime. All ages - from infants to seniors - can learn to swim at the Y. Check out our class offerings to find one that fits your family’s busy schedule. In the interest of keeping everyone safe, no one but the lesson participant is allowed to stay on the pool deck during swim lessons.

**SWIM STARTERS**

Accompanied by a parent, infants and toddlers learn to be comfortable in the water. They develop swim readiness skills through fun and confidence building experiences, while parents learn about water safety, drowning prevention and the importance of supervision.

SUMMER DAY CAMP

CAMPING AT THE Y OFFERS AN EXPERIENCE FOR CHILDREN AND TEENS, NOT JUST CARE.
Exploring nature, swimming, playing games and making new friends are just some aspects of the experience of participating in Day Camp. As summer approaches, the Fairfield Y reminds parents that camping is a unique and invaluable experience for children and teens. The Y has plans for the summer and is gearing up for summer adventures that will keep kids active, engaged and healthy all summer long. Summer is the ideal time for kids to get up, get out and explore!

FOUR WAYS TO GET THE MOST OUT OF SUMMER CAMP

Find Your Adventure
Summer is a time for kids to explore and expand the limits of their imagination. At Y summer camp, every day is a new adventure!

Find Your Spark
Kids discover hidden talents and passions they never knew they had.

Find Your Circle
At the Y, their experience is like none other. Kids come away with new skills, confidence and friendships that broaden their perspectives and strengthen their character.

Find Your Friends
At YMCA camp, kids will make new friends and have tons of fun as they explore new adventures each day!

The Fairfield Y provides exciting and educational camp programming for children and teens, and their parents, at our Traditional Day Camp. At YMCA Day Camp, kids are in a welcoming environment where they can belong, build relationships and lasting friendships, develop character and discover their potential.

To ensure that every child and teen has the chance to go camping, the Fairfield Y offers financial assistance to those in need. We believe that no one should be turned away because of their inability to pay. Come, let us help.

YMCA CAMP HI–ROCK

YMCA Camp Hi-Rock is a sleepaway located in Western Massachusetts. We are nestled among 1,000 acres in the Berkshire Mountains, surrounded by conservation forest, and centered around our pristine, private, ninety-acre lake. This gives us the ideal backdrop for the wide variety of activities we offer, which include swimming, climbing, water skiing, archery, sailing and arts & crafts among many others. Camp Hi-Rock is dedicated to the growth and development of all of the participants we serve. We seek to help each camper develop his or her sense of personal worth and responsibility as a cooperative member of a group. In addition, we want campers to discover, learn, cultivate new skills, develop healthy lifestyles, create meaningful relationships, and become more caring, honest, respectful and responsible people.

Please visit us at the Fairfield YMCA for a drop-in information session to speak face to face with a camp representative, view camp videos and slides, and learn more!
