Enroll in YMCA School Age Child Care!

THE Y OFFERS SCHOOL AGED ENRICHMENT THAT PARENTS CAN FEEL GOOD ABOUT

We help kids reach their potential and thrive in a safe, trustworthy setting. We offer a curriculum that aligns with the school day and supports growth in literacy, science, math, science, engineering, arts, and technology (STEAM) while infusing the arts, physical activity and fun. We teach kids confidence, encourage self-expression and enrich social development. Providing our youth with the support, encouragement and positive role models that they need, will not only increase their ability to succeed in school but in life. For families, we offer a peace of mind knowing that your child is in a safe and educational program building new relationships and achieving more.

Registration is now open for the 2021-22 school year. Information about the Y’s before and after school programming can be found in our 2021-22 SACC Brochure. Explore enrollment options, program sites, our curriculum, and discover some of the fun our programs have in store for your child this school year!
