# COMPETITIVE GYMNASTICS

## GYMNASTICS & PRE-TEAM .....

**Gymnastics practice schedules will be shared directly with families once team placement is finalized and enrollment is confirmed.**

### PRE-TEAM (INVITATION ONLY)

This class is by invitation only and is designed for gymnasts who have successfully completed an intermediate class. Gymnasts will learn the foundational excellence to have competitive readiness of Level 2, Level 3 or Xcel Bronze. Gymnasts can cultivate their passion for gymnastics, refine their skills, and lay the groundwork for a successful journey into competitive gymnastics.

### USAG XCEL PROGRAM (BRONZE-SAPPHIRE)

USAG defines the Xcel program as "a broad-based, affordable competitive experience outside the traditional Jr. Olympic Program." Xcel, like Developmental, has different levels (Bronze, Silver, Gold, Platinum, Diamond, Sapphire) that the gymnast can progress to as he/she learns more skills. Gymnasts who participate in Xcel also get the same competitive experience of being on a team and competing in front of judges and spectators.

### USAG COMPULSORY PROGRAM (LEVELS 1-5)

Compulsory gymnastics consists of specific routines that the gymnast must learn exactly. This is done in gymnastics levels 1-5. USA Gymnastics created the routines with the goal that the gymnasts have a strong gymnastics foundation before advancing to the optional levels. All of the skills in compulsory gymnastics are progressive to get ready for Optional.

### USAG OPTIONALS PROGRAM (LEVELS 6-10)

In optional gymnastics there are a set of guidelines, or level requirements and routines are built around them. Each gymnast has her own music (on the Floor Exercise) and choreography. Her routine is built to show off her strengths. Scores are based on how well she performs the skills in the routine, whether she has all the requirements and whether the overall routine is enjoyable to watch.

## FINANCIAL ASSISTANCE

Today, **1 in 4 children, teens, and families need financial assistance** to be a part of the Y. A core priority for us as a charitable non-profit organization is providing access to the extraordinary opportunities and programs offered at the Y to anyone who wishes to participate. Membership dues don't include funding for scholarships; it is your gift that makes this possible. Your contributions to the Central Connecticut Coast YMCA provide direct financial assistance for children, families and individuals to participate in their YMCA.

# SWIM PROGRAMS

## STRONG SWIMMERS = CONFIDENT KIDS .....

For more than 160 years, the YMCA has nurtured potential and united communities across America to create lasting, meaningful change. Everything the Y does is in service of building a better us. One of the most effective ways to accomplish this is to teach youth, teens, and adults to swim, so they can stay safe around water and learn the skills they need to make swimming a lifelong pursuit for staying healthy. Our Y swim instructors are nationally certified. Their training includes CPR, AED, First Aid and Oxygen Administration. **Swim Starters and Swim Basics classes require one parent\* to participate in the pool and on the pool deck.**

Swim lessons provide important life skills that could save a life and will benefit students for a lifetime. All ages – from infants to seniors – can learn to swim at the Y. Check out our class offerings to find one that fits your family’s busy schedule.

### POOL GUIDELINES/OBSERVATION POLICY

Parents and children are required to follow all Central Connecticut Coast YMCA Pool Guidelines and Safety Protocol. Parents are asked not to disrupt the children or instructor while the class is in session. \*At the Y, we know families take a variety of forms. As a result, we define parents broadly to include all adults with primary responsibility for raising children, including biological parents, adoptive parents, stepparents, grandparents or any type of parenting relationship.

## WELLNESS TEAM SPOTLIGHT.....

### PAUL

I had been a member of The Lakewood YMCA for about 10 years before joining the Y Team. Working with people has always been one of my passions and I was able to continue that as both a YMCA member and an Exercise Room Attendant. I have always been aware of the importance of physical activities and working at the Y is another way to share this importance with others. People will always make what one does more enjoyable! In addition to The Y, I am also an Assistant Registrar and Poll Moderator for The Town of Monroe. With grown children and 7 grandchildren, being a Y member only adds to life's journey.
