Gymnasts can cultivate their passion for gymnastics, refine their skills, and lay the groundwork for a successful journey into competitive gymnastics.

USAG XCEL PROGRAM (BRONZE-SAPPHIRE)

USAG defines the Xcel program as "a broad-based, affordable competitive experience outside the traditional Jr. Olympic Program." Xcel, like Developmental, has different levels (Bronze, Silver, Gold, Platinum, Diamond, Sapphire) that the gymnast can progress to as he/she learns more skills. Gymnasts who participate in Xcel also get the same competitive experience of being on a team and competing in front of judges and spectators.

USAG COMPULSORY PROGRAM (LEVELS 1-5)

Compulsory gymnastics consists of specific routines that the gymnast must learn exactly. This is done in gymnastics levels 1-5. USA Gymnastics created the routines with the goal that the gymnasts have a strong gymnastics foundation before advancing to the optional levels. All of the skills in compulsory gymnastics are progressive to get ready for Optional.

USAG OPTIONALS PROGRAM (LEVELS 6-10)

In optional gymnastics there are a set of guidelines, or level requirements and routines are built around them. Each gymnast has her own music (on the Floor Exercise) and choreography. Her routine is built to show off her strengths. Scores are based on how well she performs the skills in the routine, whether she has all the requirements and whether the overall routine is enjoyable to watch.

SWIM PROGRAMS

STRONG SWIMMERS = CONFIDENT KIDS

For more than 160 years, the YMCA has nurtured potential and united communities across America to create lasting, meaningful change. Everything the Y does is in service of building a better us. One of the most effective ways to accomplish this is to teach youth, teens, and adults to swim, so they can stay safe around water and learn the skills they need to make swimming a lifelong pursuit for staying healthy. Our Y swim instructors are nationally certified. Their training includes CPR, AED, First Aid and Oxygen Administration. **Swim Starters and Swim Basics classes require one parent* to participate in the pool and on the pool deck.**

Swim lessons provide important life skills that could save a life and will benefit students for a lifetime. All ages – from infants to seniors – can learn to swim at the Y. Check out our class offerings to find one that fits your family’s busy schedule.
