YOUTH DEVELOPMENT

STRONG SWIMMERS = CONFIDENT KIDS

For more than 160 years, the YMCA has nurtured potential and united communities across America to create lasting, meaningful change. Everything the Y does is in service of building a better us. One of the most effective ways to accomplish this is to teach youth, teens and adults to swim, so they can stay safe around water and learn the skills they need to make swimming a lifelong pursuit for staying healthy.

Our Y swim instructors are nationally certified. Their training includes CPR, AED, First Aid and Oxygen Administration. Swim lessons provide important life skills that could save a life and will benefit students for a lifetime.

All ages – from infants to seniors – can learn to swim at the Y. Check out our class offerings to find one that fits your family’s busy schedule. Have questions? Please refer to the Swim Page of our web site, call the Y or speak with anyone in our Aquatics Department or on our Member Services Team.

*At the Y, we know families take a variety of forms. As a result, we define parents broadly to include all adults with primary responsibility for raising children, including biological parents, adoptive parents, stepparents, grandparents or any type of parenting relationship.

SWIM STARTERS

Accompanied by one parent*, infants and toddlers learn to be comfortable in the water and develop swim readiness skills through fun and confidence-building experiences, while parents learn about water safety, drowning prevention and the importance of supervision.

**Age Group: 6 months – 3 years**

**Parent* & Child**

**Stages A – B**

**SWIM STARTERS**

**Stage A / Water Discovery**

One parent* accompanies their child in Stage A, which introduces infants and toddlers to the aquatic environment through exploration and encourages them to enjoy themselves while learning about the water.

**SWIM STARTERS**

**Stage B / Water Exploration**

In Stage B, one parent will work with their child to explore body positions, floating, blowing bubbles and fundamental safety and aquatic skills.

Camp Tepee accepts children 3–15 years old.

A typical day consists of swim lessons, and a rotation of all of Camp Tepee’s unique activity choices and special events related to the theme of the week. Camp Tepee even offers half day programs for our littlest campers that can’t last an entire day.

Generations of families have been involved with Camp Tepee because of the unique stories, traditions, and memories that exist within and because of the program. Camp Tepee offers children and teens opportunities to grow and have new experiences.

At the Y, we make kids feel welcome and supported. Our counselors are specially chosen using in-person interviews, reference checks and training. They are educators, recreation specialists, future teachers and local students with a genuine interest in working with children. Your children may already know them from other Y programs and after school care. At least eighty percent are 18 years old and older. After receiving an average of 40 hours of training in safety, positive behavior management and activity planning, they are ready to help campers make new friends and do everything possible to ensure a fun Summer.
GYMNASTICS CAMP

For over 20 years, the Lakewood-Trumbull Y Gymnastics program has been a proud leader in the community, providing gymnastics programs for all!

Led by fun, dedicated and talented gymnastics leaders, participants will feel the excitement as they interact with their peers, build self-esteem and gain confidence. A child who does gymnastics sets a foundation for a lifetime of athleticism and physical awareness. At the most basic level, a beginner at our camp will be challenged to move their body in as many ways as possible. Experienced gymnasts will learn advanced skills and have time to focus on improving specific elements. All will develop strength, flexibility, balance, coordination and promote healthy cognitive function. Campers will be placed in similar age and skill appropriate groups.

Through our comprehensive program designed for youth ages 3–15, our campers will enjoy a day filled with a variety of high energy activities, as well as crafts and STEAM. Watch as your child’s confidence grows and as they form new friendships that could last a lifetime!

The Lakewood-Trumbull YMCA Summer Gymnastics Camp is located at 20 Trefoil Drive, Trumbull CT. Our camp features an air conditioned facility with an in-ground trampoline, full-size TumbleTrak, and a 400 square ft. foam safety pit system. Through the use of Olympic equipment, our staff will deliver a Summer experience that will make this a Forever Summer!
