USAG XCEL Program (Bronze–Sapphire)  
USAG defines the Xcel program as "a broad-based, affordable competitive experience outside the traditional Jr. Olympic Program." Xcel, like Developmental, has different levels (Bronze, Silver, Gold, Platinum, Diamond, Sapphire) that the gymnast can progress to as he/she learns more skills. Gymnasts who participate in Xcel also get the same competitive experience of being on a team and competing in front of judges and spectators.

USAG COMPULSORY Program (Levels 1–5)  
Compulsory gymnastics consists of specific routines that the gymnast must learn exactly. This is done in gymnastics levels 1–5. USA gymnastics created the routines with the goal that the gymnasts have a strong gymnastics foundation before advancing to the optional levels. All of the skills in compulsory gymnastics are progressive to get ready for Optionals.

USAG OPTIONALS Program (Levels 6–10)  
In optional gymnastics there are a set of guidelines, or level requirements and routines are built around them. Each gymnast has her own music (on the Floor Exercise) and choreography. Her routine is built to show off her strengths. Scores are based on how well she performs the skills in the routine, whether she has all the requirements and whether the overall routine is enjoyable to watch.

YOUTH DEVELOPMENT

STRONG SWIMMERS = CONFIDENT KIDS

For more than 160 years, the YMCA has nurtured potential and united communities across America to create lasting, meaningful change. Everything the Y does is in service of building a better us. One of the most effective ways to accomplish this is to teach youth, teens, and adults to swim, so they can stay safe around water and learn the skills they need to make swimming a lifelong pursuit for staying healthy.

Our Y swim instructors are nationally certified. Their training includes CPR, AED, First Aid and Oxygen Administration. Swim lessons provide important life skills that could save a life and will benefit students for a lifetime.

All ages - from infants to seniors - can learn to swim at the Y. Check out our class offerings to find one that fits your family’s busy schedule. Have questions? Please refer to the Swim Page of our web site, call the Y or speak with anyone in our Aquatics Department or on our Member Services Team.

*At the Y, we know families take a variety of forms. As a result, we define parents broadly to include all adults with primary responsibility for raising children, including biological parents, adoptive parents, stepparents, grandparents or any type of parenting relationship.

SWIM STARTERS

Accompanied by one parent*, infants and toddlers learn to be comfortable in the water and develop swim readiness skills through fun and confidence-building experiences, while parents learn about water safety, drowning prevention and the importance of supervision.

Age Group: 6 months - 3 years
Parent* & Child
Stages A-B

SWIM STARTERS
Stage A / Water Discovery
One parent* accompanies their child in Stage A, which introduces infants and toddlers to the aquatic environment through exploration and encourages them to enjoy themselves while learning about the water.

SWIM STARTERS
Stage B / Water Exploration
In Stage B, one parent will work with their child to explore body positions, floating, blowing bubbles and fundamental safety and aquatic skills.

Observation Policy

While practicing social distancing, parents are asked not to disrupt the children or instructor while the class is in session.

Please contact the Fairfield YMCA, Woodruff Family YMCA, Stratford YMCA or Soundview Family YMCA for swim lessons during the school year.
