EARLY LEARNING

At the Y, we offer a safe, nurturing environment for children to learn and grow. The Y supports their social-emotional, cognitive and physical development. When you know your child is well cared for, you and your family have the opportunity to focus at work, plan healthy meals, enjoy family activities and establish a routine.

FOR YOUTH DEVELOPMENT

All kids have great potential. At the Y, we help set them on a path to learning. Children gain confidence as they recognize the Y as a place where they belong and can feel comfortable. Whether it's gaining the confidence that comes from learning new experiences, building positive relationships or participating in activities, it's about nurturing the whole child, from the inside out.

FOR HEALTHY LIVING

The Central Connecticut Coast YMCA is a leading nonprofit committed to nurturing the potential of every child. For many, the Y is the starting point for children to develop healthy habits nutritionally and physically, that they'll carry with them throughout their lives. We understand that everyone needs to eat well and be physically active to live a full life and reach their potential, and this is especially important for children. Our experienced and caring staff, partners and volunteers model the positive core Y values of **caring, honesty, respect** and **responsibility** that help build character. Our core values are woven throughout our early learning program to create a warm, nurturing, home away from home. Your child's growth, development and education are important to us, as we do our best to ensure their future is bright.

FOR SOCIAL RESPONSIBILITY

Family unity is strengthened in a child's ability to work and play together through events, workshops and family activities. Plus, everyone belongs at the Y. To ensure that all youth have the chance to participate, the Y offers financial assistance to those in need. Please talk with us to learn more. If you'd like to help send a child to child care, you can donate easily on our web site or at our Y. We also participate in the State of CT Care4Kids program.

NEW HAVEN YMCA YOUTH CENTER

2023-2024 EARLY LEARNING CHILD CARE

School Readiness, Preschool, Toddler Programs

PROGRAM CREDENTIALS

Our Early Learning program is State licensed with the Office of Early Childhood (OEC) and NAEYC accredited. Partnerships are developed with families, schools and community to support the optimal development of each child.

PARTICIPANTS

Our toddler program serves children 1-2 years of age. Our school readiness program services New Haven children 2.9-5 years of age. All Office of Early Childhood (OEC) licensing ratios are followed.

OUR CURRICULUM

Early Learning Experience Plans are aligned with Connecticut Early Learning and Development Standards. Activities and materials are geared to the child's developmental level. We encourage individual abilities to enhance self-esteem. A combination of literacy, math, physical fitness, art, science and social studies is included in our programming. Active and engaging learning activities are planned. Classrooms are well-equipped for a wide range of developmental activities which meet curricular goals. Children are motivated to explore, manipulate, question, discover and express their needs through play, group and individual activities. Fun prevails as well as aligning with school day site themes.

HEALTHY EATING AND PHYSICAL ACTIVITY (HEPA)

The Y follows a set of HEPA standards to build a healthier future for our children. Each day children run, jump, play games and are physically active; indoors and outdoors. Swim lessons are part of our weekly curriculum in our preschool program. Healthy meals and snacks are served to teach children to live a healthy life! Our program also participates in the CACFP food program to ensure that all children receive the nourishing meals they deserve.

EXPERIENCED EDUCATORS

Our staff are role models with a passion for working with children. All staff go through a rigorous interview process with reference and background checks before being offered employment. They are trained in First Aid/CPR, Medication Administration, Child Abuse recognition and prevention plus receive instructions related to child safety and development.
