CAMP NONOMA

At Camp Nonoma, we are committed to helping your child have a great camp experience through fun activities and games that encourage children (ages 3-15) develop new skills and try new things. We pride ourselves on the variety of activities we offer that keep campers engaged, busy and active. Each activity period is 35 minutes long, allowing each camper to participate in a variety of activities throughout the day.

This summer, campers will enjoy participating in favorites like Gaga, Arts & Crafts, Ropes, Swimming, Sports and more. Each new week at Camp Nonoma is celebrated with a new theme. Wacky Wednesdays, Campers and staff will dress up for the week's theme while playing games especially for that week's theme. All Adventurers will go on one field trip a week on Tuesdays or Thursdays.

Our counselors are specially chosen using in-person interviews, reference checks and training. They are educators, future teachers and local students with a genuine interest in working with children. Your children may already know them from other Y programs. At least 80% are 18 years old and older. After receiving an average of 40 hours of training in safety, positive behavior management and activity planning, they are ready to help campers make new friends and do everything possible to ensure a fun summer.

The Y works with children of all abilities. If your child requires special accommodations (social, behavioral, medical) please contact the Camp Director. The Y strives to provide each camper with an optimal summer experience but can not guarantee a specific counselor or camp group.
