LEARNING OUTSIDE THE CLASSROOM

Y Learning Center Grades K-6 (Madison Residents Only)

The Soundview Family YMCA and the town of Madison have joined forces to meet your school age child care needs! Our program combines academics with play and offers a caring and safe environment where kids can achieve, feel a sense of belonging, build friendships and explore new interests. The Soundview Family YMCA is ready to aid in your student's learning! In addition to distance learning, your child will enjoy an array of activities including arts & crafts, STEAM projects, and outdoor activities.

Children must have their own electronic device for E-Learning and be enrolled in a hybrid or online learning program.
