# FOREVER LEARNING.

We strive to meet the needs of our families while providing quality experiences for the children in our programs. Where and how children spend their time is vital to their growth and success in life.

## FOR YOUTH DEVELOPMENT

We help kids reach their potential and thrive in a safe, trustworthy setting. We support your family needs before school, after school or when your child is required to distance learn. The Y offers a curriculum that aligns with the school day and supports growth in literacy, science, math, science, engineering and technology (STEM) while infusing the arts, physical activity and fun. We teach kids confidence, encourage self-expression and enrich social development. Providing our youth with the support, encouragement and positive role models that they need, will not only increase their ability to succeed in school but in life. For families, we offer a peace of mind knowing that your child is in a safe and educational program building new relationships and achieving more.

## FOR HEALTHY LIVING

As a leading nonprofit committed to nurturing the potential of every child and teen, supporting their social-emotional, cognitive and physical development. The Central Connecticut Coast YMCA continues to give youth an enriching and safe experience. Our experienced and caring staff and volunteers model the positive core Y values of **caring, honesty, respect** and **responsibility** that help build character. Our core values are woven throughout our child care program to create a warm, nurturing, home away from home. Your child's growth, development and education are important to us, as we do our best to ensure their future is bright.

## FOR SOCIAL RESPONSIBILITY

Everyone belongs at the Y. To ensure that all youth have the chance to participate, the Y offers financial assistance to those in need. Please talk with us to learn more. If you'd like to help send a child to child care, you can donate easily on our web site or at our Y. We also participate in the State of CT Care4Kids program.

### SCIENCE, TECHNOLOGY, ENGINEERING and MATH (STEM)

Children are challenged to be critical thinkers, make predictions and become inventors while participating in hands-on activities.

All Y school age child care sites are licensed through the CT Office of Early Childhood. Many staff members also lead Y youth classes and are Summer Camp leaders.

### Y VACATION CLUB and Y FUN CLUB

Children can enjoy planned vacation days or emergency school closing days at the Y, lead by staff members from our school age child care program. They'll be with others they already know and that you trust. (Pre-registration and additional fees may apply).

### QUOTES FROM STRATFORD Y PARENTS

*"The YMCA has provided my son the place to grow and learn and thrive, and it reduced my stress because I had trust in the YMCA and their amazing staff. I cannot even tell you without tearing up how much of a difference having these programs, especially this year, has meant to my family. "*

*"I want to start by saying THANK YOU to ALL YMCA Staff for doing such a GREAT job during this COVID-19 pandemic. As you know, my main priority is the safety of my son, and so my concern was how the YMCA was going to manage to keep everyone safe during the pandemic. The YMCA not only managed to keep everyone safe by providing a safe environment and following all of the safety protocols for the kids... for that, I THANK YOU ALL."*
