YMCA SUMMER DAY CAMP, YEAH!

The **CENTRAL CONNECTICUT COAST YMCA** believes all kids have great potential and deserve the opportunity to discover who they are and what they can achieve. At the Stratford YMCA Camp Parrot Perch day camp kids and teens can develop skills, self-confidence, new friendships and a sense of belonging – all while having tons of fun.

In order to have fun and thrive, kids of all ages need to feel both physically and emotionally safe. When you drop your child off at a Stratford YMCA Camp Parrot Perch, you can rest assured that their total well-being will be supported. Safety is always our number one priority! We keep kids healthy and safe while providing enriching experiences.

As a leading nonprofit committed to nurturing the potential of youth, the Y has been a leader in providing summer camp for over 130 years. Our experienced and caring staff and volunteers model the positive core Y values of caring, honesty, respect and responsibility that help build character.

Financial assistance is available for families who need it to ensure that all kids in our community can have enriching summer experiences. If you'd like to help send a child to camp, you can donate easily on our website or at our Y.

Our camp programs fill up fast, so make plans to reserve your spot today! Visit www.cccymca.org to learn more about all our Summer Camp programs including **YMCA Camp Hi-Rock** an overnight experience on a beautiful lake in the Berkshires.

OUR MISSION: To put Judeo-Christian principles into practice through programs that build healthy spirit, mind and body for all.

CAMP PARROT PERCH

At Camp Parrot Perch, your child will have a great summer, in a safe environment. They will participate in arts and crafts, STEAM, archery, swimming, indoor rainy day games and outdoor fun. Ask any of our camp alumni how to play Duck Duck Splash or Gaga Ball and watch their faces light up!

Participants in our CIT Program learn and develop leadership skills, act as peer role models for younger campers, and have the opportunity to share their talents with the entire camp community.

It's a great experience that will prepare young teens for future work and leadership opportunities.

Our counselors are specially chosen using in-person interviews, reference checks and training. They are educators, future teachers and local students with a genuine interest in working with children. Your children may already know them from other Y programs. At least 80% are 18 years old and older. After receiving an average of 40 hours of training in safety, positive behavior management and activity planning, they are ready to help campers make new friends and do everything possible to ensure a fun summer.

The Y works with children of all abilities. If your child requires special accommodations (social, behavioral, medical) please contact the Camp Director. The Y strives to provide each camper with an optimal summer experience but can not guarantee a specific counselor or camp group.
