CENTRAL CONNECTICUT COAST YMCA Parent Statement of Understanding

The following information is important for the safety of your child. Please read the information and sign below. Please keep and refer to your copy of the YMCA Child Care Parent Handbook which outlines our program policies and procedures. Your signature below indicates that you have received, read, and understand the Parent Handbook.

I understand that the YMCA staff and volunteers are not allowed to baby-sit or transport children at any time out side of the YMCA program. Immediate disciplinary action will be taken by the YMCA towards staff and volunteers if a violation is discovered.

I understand that I am not to leave my child at the program site unless a YMCA staff or volunteer is there to receive and supervise my child.

I understand that my child will not be allowed to leave the program with an unauthorized person. A court order is required to restrict a legal parent/guardian from pick-up. Any person authorized to pick up my child must either be listed with the YMCA or other arrangements must be made by calling the YMCA Child Care office to inform them of a change.

Do not release my child to any of the following individuals _____, if any of these individuals are biological parents, a court order is required to not release.

I understand that should a person arrive to pick-up my child who appears to be under the influence of drugs or alcohol, for the child's safety, staff may have no recourse but to contact the police. Please do not put staff in the position where they have to make this judgment call.

I understand that the YMCA is mandated, by state law, to report any suspected cases of child abuse or neglect to the appropriate authorities of investigation.

Managing a Child's Behavior

The Central Connecticut Coast YMCA staff are trained based on the following disciplinary policies, and are reviewed during staff development and upon new hire orientation. The goal of discipline is to help the child to develop inner control so that he/she may move toward appropriate social behavior.

1. In order to work effectively with children, we must first try to understand his or her motives for inappropriate behavior. Straight forward rules and clear guidelines have been established for a uniform set of appropriate behavior. Consistency is paramount in effective discipline and is stressed throughout our programs. Positive guidance and the use redirection as an initial technique to change negative behavior is used by staff in addition to providing a clear explanation of the inappropriate behavior displayed.

2. Staff will not be abusive, neglectful, or use corporal, humiliating or frightening punishment to discipline children in our programs. A child will not be hit, spanked or slapped by any staff. Nor will any child be handled roughly. Staff will not shove or shake any child nor pull their ears or hair at any time as form of discipline. No child shall be physically restrained unless it is necessary to protect the safety and health of the child or another child or adult.

3. If a child does not respond to redirection and continues to display inappropriate behavior the child may be removed from the activity for a "Time Out". The child remains within full view of the staff and may not be able to see the activity during this period. The limit on "time out" is five minutes and is determined by the amount of time the child takes to display appropriate behavior or on the severity of the inappropriate act. During the "time out" the staff will ask the child what they think they did to be put in "time out", why did they behave that way, and what will they do next time to avoid the situation happening again.

4. If redirection of the child and the time out and counseling is ineffective and serious behavioral problems continue to disrupt the class the parent may be called to pick-up their child early. The YMCA also reserves the right to remove or suspend a child without tuition reimbursement if the parents, Head Teacher, Director of School Age Child Care, Child Care Coordinator and/or Youth Director cannot mutually get the child to behave in an appropriate manner.

I have read and understand the statements above and YMCA Parent Policies and Procedure. (Policy has been discussed)
