# US... IS A PROMISE

Annual Campaign

The Y.™ For a better us.

Every day, the Y strengthens our community for kids, adults, seniors and families with programs that protect, teach, connect, heal, nourish and encourage. It's how we help communities and the 'us' who live in them achieve our individual and collective promise.

When you donate to the Hamden/North Haven YMCA Annual Campaign, you make the communities of Hamden and North Haven better and the "us" who live in them stronger.

All kids deserve the opportunity to discover who they are and what they can achieve, under the guidance of caring adults who believe in their potential. We see every interaction with young people as an opportunity for learning and development—all grounded in the Y's core values of caring, honesty, respect and responsibility.

## DONATE FOR A BETTER US.

**Our Mission:** To put Judeo-Christian principles into practice through programs that build healthy spirit, mind and body for all.

## AQUATICS PROGRAMS

### SWIM TEAM

The Hamden/North Haven YMCA Typhoons are back and better than ever! Newly-affiliated with USA Swimming®, the Typhoons will be led by Coach Kevin Brown, who brings over 19 years of aquatics and competitive swimming experience along with a strong work ethic and passion for the sport. Coach Brown believes in teaching life lessons of sport and sportsmanship through swimming, not simply training swimmers. YMCA competitive swimming is a natural progression from swim lessons, where children and teens continue their love of swimming in an ideal environment for cognitive, physical, and social development. Typhoon coaches emphasize detailed stroke development, time achievement and an emphasis on teamwork, hard work and fun. For further information or to register, please contact Alexei Bachuretz.

# YOUTH DEVELOPMENT

## STRONG SWIMMERS = CONFIDENT KIDS

For more than 160 years, the YMCA has nurtured potential and united communities across America to create lasting, meaningful change. Everything the Y does is in service of building a better us. One of the most effective ways to accomplish this is to teach youth, teens, and adults to swim, so they can stay safe around water and learn the skills they need to make swimming a lifelong pursuit for staying healthy.

Our Y swim instructors are nationally certified. Their training includes CPR, AED, First Aid and Oxygen Administration. Swim lessons provide important life skills that could save a life and will benefit students for a lifetime.

All ages - from infants to seniors - can learn to swim at the Y. Check out our class offerings to find one that fits your family's busy schedule. Have questions? Please refer to the Swim Page of our web site, call the Y or speak with anyone in our Aquatics Department or on our Member Services Team.

\*At the Y, we know families take a variety of forms. As a result, we define parents broadly to include all adults with primary responsibility for raising children, including biological parents, adoptive parents, stepparents, grandparents or any type of parenting relationship.
