We help everyone build and maintain healthy habits for spirit, mind and body in their everyday lives. By helping kids, adults, families and seniors from all walks of life improve their health and well-being, we build a stronger community. More people than ever need financial assistance to take part in Y programs. When you donate to the Stratford YMCA Annual Campaign, you help us best serve and respond to the greatest needs in our community.

FINANCIAL ASSISTANCE
The Stratford YMCA offers financial assistance for programs to qualified members. We are community based and believe that our programs should be available to everyone and that no one should be turned away because of their inability to pay. Our Financial Assistance Program is made possible because caring people and businesses in our communities fund the program through our Annual Campaign. Financial Assistance is available on a sliding scale that is based on total household income, family size and number of participants for a specific program.

OUR MISSION
To put Judeo-Christian principles into practice through programs that build healthy spirit, mind, and body for all.
YOUTH DEVELOPMENT

CHILD CARE

YMCA PRESCHOOL PROGRAM
The Stratford YMCA operates a NAEYC accredited year-round preschool program for 3-4 year olds at our main branch.

Children are motivated to explore, manipulate, question, discover, and express their needs through play, group, and individual activities. We offer a comprehensive program to foster the social, emotional, cognitive, physical, and creative needs and growth of the child. Swimming is offered during the day at an additional fee! We believe that all children should learn to be safe in and around water by the age of 12. Swimming incorporates water comfort, water safety, and stroke development.

Thanks to the Y’s Annual Campaign, the Y offers financial assistance to families who qualify. Funds are limited. The Stratford YMCA is also a licensed provider with the state Care 4 Kids program. Contact Melissa at ext. 2613 to schedule a tour.

BEFORE & AFTER SCHOOL
The YMCA offers Before School Child Care for students who attend Stratford Academy, Nichols, Wilcoxon, Eli Whitney, Franklin, Second Hill Lane, and Chapel schools.

The before school program includes recreational and enrichment activities. Drop off for this program begins at 6:45am.

The YMCA provides extended-day child care to children in grades K-6, from dismissal until 6pm. After School Child Care is provided for students at Second Hill Lane, Stratford Academy, Franklin, Lordship, Nichols, Chapel, Eli Whitney, and Wilcoxon schools.

The after school program includes a quiet homework time and a variety of recreational activities and games. A healthy snack is provided.

For more information or to register, please call or stop by the Stratford YMCA at 203-375-5844! If you have any questions contact our Childcare Director, Melissa Bernardo, at mbernardo@cccymca.org.

For more than 160 years, the YMCA has nurtured potential and united communities across America to create lasting, meaningful change. Everything the Y does is in service of building a better us. One of the most effective ways to accomplish this is to teach youth, teens, and adults to swim, so they can stay safe around water and learn the skills they need to make swimming a lifelong pursuit for staying healthy. Swim lessons provide important life skills that could save a life and will benefit students for a lifetime. All ages - from infants to seniors - can learn to swim at the Y. Check out our class offerings to find one that fits your family’s busy schedule.

Our Y swim instructors are nationally certified. Their training includes CPR, AED, First Aid and Oxygen Administration.

Welcome to our new group exercise classes here at the Stratford YMCA. Our outdoor group ex class schedule will extend through the good weather; classes will be moved inside given daily weather. We are asking members to bring their own mat, water, towel and gear. We will provide equipment based on the class needs including free weights and exercise bands. It’s your favorite group ex classes under the sun; same classes, same music, same instructors, different group exercise room!
