Our Financial Assistance Program is made possible because caring people and businesses in our communities fund the program through our Annual Campaign. Financial Assistance is available on a sliding scale that is based on total household income, family size and number of participants for a specific program.

OUR MISSION

SUMMER DAY CAMP

WELCOME TO SUMMER DAY CAMP!

The YMCA believes all kids have great potential and deserve the opportunity to discover who they are and what they can achieve. At YMCA day camp kids and teens can develop skills, self-confidence, new friendships and a sense of belonging – all while having tons of fun.

In order to have fun and thrive, kids of all ages need to feel both physically and emotionally safe. When you drop your child off at a camp, you can rest assured that their total well-being will be supported. Safety is always our number one priority! We keep kids healthy and safe while providing enriching experiences. As a leading nonprofit committed to nurturing the potential of youth, the Y has been a leader in providing summer camp for over 130 years. Our experienced and caring staff and volunteers model the positive core Y values of caring, honesty, respect and responsibility that help build character.

If your child is 14–15 years of age, they may be interested in our Counselor in Training program. In our CIT program, they will receive valuable job interviewing skills, child care training, leadership experience, team building, and problem-solving skills. To apply please fill out the application and contact the Y for an interview.

YMCA CAMP HI-ROCK

YMCA Camp Hi-Rock is a sleepaway located in Western Massachusetts. We are nestled among 1,000 acres in the Berkshire Mountains, surrounded by conservation forest, and centered around our pristine, private, ninety-acre lake. This gives us the ideal backdrop for the wide variety of activities we offer, which include swimming, climbing, water skiing, archery, sailing and arts & crafts among many others. Camp Hi-Rock is dedicated to the growth and development of all of the participants we serve. We seek to help each camper develop his or her sense of personal worth and responsibility as a cooperative member of a group. In addition, we want campers to discover, learn, cultivate new skills, develop healthy lifestyles, create meaningful relationships, and become more caring, honest, respectful and responsible people.

Please visit us at the Stratford YMCA for a drop-in information session to speak face to face with a camp representative, view camp videos and slides, and learn more!
YMCA PRESCHOOL PROGRAM
The Stratford YMCA operates a NAEYC accredited year-round preschool program for 3-4 year olds at our main branch.

Children are motivated to explore, manipulate, question, discover, and express their needs through play, group, and individual activities. We offer a comprehensive program to foster the social, emotional, cognitive, physical, and creative needs and growth of the child. Swimming is offered during the day at an additional fee! We believe that all children should learn to be safe in and around water by the age of 12. Swimming incorporates water comfort, water safety, and stroke development.

Thanks to the Y’s Annual Campaign, the Y offers financial assistance to families who qualify. Funds are limited. The Stratford YMCA is also a licensed provider with the state Care 4 Kids program. Contact Megan, the Preschool Coordinator, at ext. 2613 to schedule a tour.

SWIMMING LESSONS

For more than 160 years, the YMCA has nurtured potential and united communities across America to create lasting, meaningful change. Everything the Y does is in service of building a better us. One of the most effective ways to accomplish this is to teach youth, teens, and adults to swim, so they can stay safe around water and learn the skills they need to make swimming a lifelong pursuit for staying healthy. Swim lessons provide important life skills that could save a life and will benefit students for a lifetime. All ages - from infants to seniors - can learn to swim at the Y. Check out our class offerings to find one that fits your family’s busy schedule.

Our Y swim instructors are nationally certified. Their training includes CPR, AED, First Aid and Oxygen Administration.

Swim Starters and Swim Basics classes require one caregiver to participate in the pool and on the pool deck.
