CENTRAL CONNECTICUT COAST YMCA
STATEMENT OF DIVERSITY & INCLUSION

The Central Connecticut Coast YMCA is an inclusive organization open to all. The Y believes that in a diverse world we are stronger when we are inclusive, when our doors are open to all, and when everyone has an equitable opportunity to learn, grow, and thrive. At the Y, we set the example when we welcome people across all dimensions of diversity. Dimensions include income, faith, ability, age, sexual orientation, gender identity or expression, race, ethnicity, national origin, cultural background or other unique personal characteristics. Together we stand. For a better us.
FIND WHAT MATTERS MOST. FIND YOUR Y.
Whenever a neighbor needs support, the Stratford YMCA stands ready to help with open arms and caring hearts. When you donate to the Stratford Annual Campaign, you help us best serve and respond to the greatest needs in our community. All contributions to the YMCA provide direct financial assistance for ALL who need it.

FIND YOUR REASON TO GIVE. DONATE FOR A BETTER US.
Connect with Suzanne Richards to learn more.

FINANCIAL ASSISTANCE
The Stratford YMCA offers financial assistance for programs to qualified members. We are community based and believe that our programs should be available to everyone and that no one should be turned away because of their inability to pay. Our Financial Assistance Program is made possible because caring people and businesses in our communities fund the program through our Annual Campaign. Financial Assistance is available on a sliding scale that is based on total household income, family size and number of participants for a specific program.

OUR MISSION
To put Judeo-Christian principles into practice through programs that build healthy spirit, mind, and body for all.
YOUTH DEVELOPMENT

STRONG SWIMMERS = CONFIDENT KIDS
For more than 160 years, the YMCA has nurtured potential and united communities across America to create lasting, meaningful change. Everything the Y does is in service of building a better us. One of the most effective ways to accomplish this is to teach youth, teens, and adults to swim, so they can stay safe around water and learn the skills they need to make swimming a lifelong pursuit for staying healthy. Swim lessons provide important life skills that could save a life and will benefit students for a lifetime. All ages – from infants to seniors – can learn to swim at the Y. Check out our class offerings to find one that fits your family’s busy schedule.

Our Y swim instructors are nationally certified. Their training includes CPR, AED, First Aid and Oxygen Administration. All swim instructors will be wearing masks and leading non-contact instructions. They will be providing lessons, while socially distanced in the water and from the pool deck.

Swim Starters and Swim Basics classes require one parent* to participate in the pool and on the pool deck. Groups will be socially distanced from others.

*At the Y, we know families take a variety of forms. As a result, we define parents broadly to include all adults with primary responsibility for raising children, including biological parents, adoptive parents, stepparents, grandparents or any type of parenting relationship.
