### REGISTRATION NOW OPEN FOR 22–23 SCHOOL YEAR

During these challenging times when your regular routine seems to change on a daily basis, one thing remains the same: your child needs a safe, enriching place to go when school is not in session plus before and after school day.

As an organization dedicated to youth development, we are working closely with the Board of Education! Are also proud to be able to provide you and your family with the services required to remain healthy. Each site is lead by a state certified Head Teacher and their team of Counselors to engage children in STEAM, crafts, games, physical activities, character development as well as homework help and a healthy snack.

Our State Licensed program will continue to operate in all 8 of Milford's Elementary schools. Our before school program will open at 7:15am and run until the start of the school day and our afterschool program will begin at the end of the school day and building new relationships and achieving more.

# YOUTH DEVELOPMENT

## STRONG SWIMMERS = CONFIDENT KIDS

For more than 160 years, the YMCA has nurtured potential and united communities across America to create lasting, meaningful change. Everything the Y does is in service of building a better us. One of the most effective ways to accomplish this is to teach youth, teens, and adults to swim, so they can stay safe around water and learn the skills they need to make swimming a lifelong pursuit for staying healthy. Our Y swim instructors are nationally certified. Their training includes CPR, AED, First Aid and Oxygen Administration

**Swim Starters and Swim Basics classes require one parent\* to participate in the pool and on the pool deck. Groups will be socially distanced from others.**

Swim lessons provide important life skills that could save a life and will benefit students for a lifetime. All ages - from infants to seniors - can learn to swim at the Y. Check out our class offerings to find one that fits your family's busy schedule.

\*At the Y, we know families take a variety of forms. As a result, we define parents broadly to include all adults with primary responsibility for raising children, including biological parents, adoptive parents, stepparents, grandparents or any type of parenting relationship.

### SWIM STARTERS

# SOCIAL RESPONSIBILITY

## FOREVER IN SERVICE

At the Y, we're dedicated to strengthening the community by giving back and supporting our neighbors.

There are many ways our members can help us give back to our community.

- Join Togetherhood to plan and execute community service projects such as maintaining our Purple Pantry.
- Give blood at one of our regular Red Cross blood drives.
- Participate in our quarterly Days of Service community projects.
- Join the Y Board of Managers or become a program volunteer.

To learn more, contact Nicole, District Executive Director at [nservas@cccymca.org](mailto:nservas@cccymca.org)

## Y LEADERS CLUB

Leaders Club provides high school students with extensive leadership training, offering opportunities for service to the YMCA and the community. Leaders Club also serves as a recruiting program for future Y professionals! We are here to develop leaders, fostering with them a culture of service in addition to knowledge and training that will help them better serve others and shape a healthy and productive life for themselves. Leaders Club meets once a week virtually, and in person. Leaders Club provides a safe, genuine place for high school students and helps direct their energy to positive outcomes.

For more information, contact Susie Marklinsky Youth and Family coordinator at the Woodruff Family YMCA at [smarklinsky@cccymca.org](mailto:smarklinsky@cccymca.org) so we can send you the log on details for the Virtual Meetings.

## PURPLE PANTRY

Even though the winter may be over, people in our community are still without food and items to sustain their health. Please consider dropping off a non-perishable food or household item. It is our hope that if you are in need, you'll take something and replenish our Purple Pantry when you can.

## LENDING LIBRARY

Reading is one of the gateways to learning. Please visit our lobby lending library. Borrow a book! Return it or pass it on. If you have books and materials from your personal library that you'd like to donate - please do!

## TOGETHERHOOD

Togetherhood is the Y's member-led volunteer service program and the Y's Signature Program for Social Responsibility. Togetherhood is run by a **Togetherhood committee**, made up of Y members and community leaders working as volunteers, with the support and guidance of a Y Staff Advisor. With the help of the programs resources the team will plan and execute service projects that strengthen communities while enabling volunteers to form meaningful connections with people from diverse backgrounds.

We are looking for 2 volunteers to keep up our Purple Pantry on Mondays and /or Thursdays. It takes just a few minutes to add food when it's needed from our supplies.

Ready to help and give back? Please reach out to Nicole Servas, District Executive Director at 203 878 6501 or by email at [nservas@cccymca.org](mailto:nservas@cccymca.org).
