FOREVER LEARNING.

We strive to meet the needs of our families while providing quality experiences for the children in our programs. Where and how children spend their time is vital to their growth and success in life.

FOR YOUTH DEVELOPMENT

We help kids reach their potential and thrive in a safe, trustworthy setting. We support your family needs before school, after school or when your child is required to distance learn. The Y offers a curriculum that aligns with the school day and supports growth in literacy, science, math, science, engineering and technology (STEM) while infusing the arts, physical activity and fun. We teach kids confidence, encourage self-expression and enrich social development. Providing our youth with the support, encouragement and positive role models that they need, will not only increase their ability to succeed in school but in life. For families, we offer a peace of mind knowing that your child is in a safe and educational program building new relationships and achieving more.

FOR HEALTHY LIVING

As a leading nonprofit committed to nurturing the potential of every child and teen, supporting their social-emotional, cognitive and physical development. The Central Connecticut Coast YMCA continues to give youth an enriching and safe experience. Our experienced and caring staff and volunteers model the positive core Y values of **caring, honesty, respect** and **responsibility** that help build character. Our core values are woven throughout our child care program to create a warm, nurturing, home away from home. Your child's growth, development and education are important to us, as we do our best to ensure their future is bright.

FOR SOCIAL RESPONSIBILITY

Everyone belongs at the Y. To ensure that all youth have the chance to participate, the Y offers financial assistance to those in need. Please talk with us to learn more. If you'd like to help send a child to child care, you can donate easily on our web site or at our Y. We also participate in the State of CT Care4Kids program.

ENRICHMENT

To inspire a child's creative mind, they can undertake crafts, painting, drama and other art projects. From drama and board games to reading, literacy is infused in our programming.
