# YOUTH DEVELOPMENT

## STRONG SWIMMERS = CONFIDENT KIDS

For more than 160 years, the YMCA has nurtured potential and united communities across America to create lasting, meaningful change. Everything the Y does is in service of building a better us. One of the most effective ways to accomplish this is to teach youth, teens, and adults to swim, so they can stay safe around water and learn the skills they need to make swimming a lifelong pursuit for staying healthy. Our Y swim instructors are nationally certified. Their training includes CPR, AED, First Aid and Oxygen Administration.

Classes offered 2 days a week are being offered in 4 week sessions, Summer 1 and 2. Registration required for both sessions.

**Swim Starters and Swim Basics classes require one parent\* to participate in the pool and on the pool deck. Groups will be socially distanced from others.**

Swim lessons provide important life skills that could save a life and will benefit students for a lifetime. All ages – from infants to seniors – can learn to swim at the Y. Check out our class offerings to find one that fits your family's busy schedule.

\*At the Y, we know families take a variety of forms. As a result, we define parents broadly to include all adults with primary responsibility for raising children, including biological parents, adoptive parents, stepparents, grandparents or any type of parenting relationship.

### SWIM STARTERS

Accompanied by one parent\*, infants and toddlers learn to be comfortable in the water and develop swim readiness skills through fun and confidence-building experiences, while parents learn about water safety, drowning prevention and the importance of supervision.

## FOREVER IN SERVICE

At the Y, we're dedicated to strengthening the community by giving back and supporting our neighbors.

There are many ways our members can help us give back to our community.

- Join Togetherhood to plan and execute community service projects such as maintaining our Purple Pantry.
- Give blood at one of our regular Red Cross blood drives.
- Participate in our quarterly Days of Service community projects.
- Join the Y Board of Managers or become a program volunteer.

To learn more, contact Ryan, District Operations Director at [rleworthy@cccymca.org](mailto:rleworthy@cccymca.org)

## Y LEADERS CLUB

Leaders Club provides high school students with extensive leadership training, offering opportunities for service to the YMCA and the community. Leaders Club also serves as a recruiting program for future Y professionals! We are here to develop leaders, fostering with them a culture of service in addition to knowledge and training that will help them better serve others and shape a healthy and productive life for themselves. Leaders Club meets once a week virtually, and in person. Leaders Club provides a safe, genuine place for high school students and helps direct their energy to positive outcomes.

For more information, contact Susie Marklinsky at the Woodruff Family YMCA so we can send you the log on details for the Virtual Meetings.

## PURPLE PANTRY

Food insecurity has no season. There are people in our community still without food and items to sustain their health. Please consider dropping off a non-perishable food or household item. It is our hope that if you are in need, you'll take something and replenish our Purple Pantry when you can.

## LENDING LIBRARY

Reading is one of the gateways to learning. Please visit our lobby lending library. Borrow a book! Return it or pass it on. If you have books and materials from your personal library that you'd like to donate - please do!

## TOGETHERHOOD

Togetherhood is the Y's member-led volunteer service program and the Y's Signature Program for Social Responsibility. Togetherhood is run by a **Togetherhood committee**, made up of Y members and community leaders working as volunteers, with the support and guidance of a Y Staff Advisor.

With the help of the programs resources the team will plan and execute service projects that strengthen communities while enabling volunteers to form meaningful connections with people from diverse backgrounds.
